To Whom It May Concern:

This letter is to confirm that Dr. Rouslan Krechetnikov was on active teaching status in the Mechanical Engineering Department at UC Santa Barbara, during Fall Quarter 2011. He received regular salary from the university during this time, and the service dates for Fall Quarter 2011 ran September 22, 2011 through December 31, 2011. Furthermore, I can confirm that Dr. Krechetnikov's Ph.D. student, Hans C. Mayer, was on T.A.-ship during Fall Quarter 2011, i.e. he was receiving payment from the University for serving as a T.A. in the department. Neither individual received payment from research grant funds during this period of time.

Sincerely,

A handwritten signature in black ink that reads "Francesco Bullo".
